MINISTRY COORDINATING MEETING

Beginning in 2020, representatives from the Church Council, with a representative member of each ministry team, will meet quarterly to coordinate the ministries of CHBC. With so many opportunities, ministries, and activities, we need to coordinate with all the teams so that efforts are not duplicated, opportunities do not overlap, and so that events can be added to the calendar in a timely fashion. This will also help with publicizing information for the teams. The first ministry coordination meeting will occur on **Sunday, February 16** following worship. At this meeting, we will look at the plans for the rest of February, and plan for March, April and May. Other meetings this year will be in April, June, and October.

What does this mean for Ministry Teams? 1) We need a representative of each team to be present for the Coordinating Meetings. 2) We need the teams to plan ahead and come in with ministry ideas that they would like to implement in the following quarter.

If you have questions regarding the Ministry Coordinating Meetings, please ask a member of the Church Council.
