### **MINISTRY COORDINATING MEETING**

Representatives from the Church Council and a representative member of each ministry team will have the first quarterly meeting on **Sunday, February 16** following. With so many opportunities, ministries, and activities, we need to coordinate with all the teams so that efforts are not duplicated, opportunities do not overlap, and so that events can be added to the calendar in a timely fashion. This will also help with publicizing information for the teams. Each Ministry Team should send a representative to the meeting, hopefully with plans that they would like to implement in the following quarter. If you have questions regarding the Ministry Coordinating Meetings, please ask a member of the Church Council.
