The class will entail a study and interpretation of the life, missionary endeavors, theology and spirituality of the Apostle Paul based on his letters and numerous other early Christian sources. Please call the church office to sign up for the class.

#### **ENCOURAGERS NEEDED**

A couple of years ago at an Empower West Book Club event, Dr. Kevin Cosby made the comment to the audience that "Simmons students need you". Students, for many reasons, often find it difficult to remain in school and continue their education. In response, the Encourager Program was born. The idea is to pair students with someone from the Louisville community who will commit to be a person the student can turn to when they need encouragement, which can take varied forms as relationships develop and individual needs arise. The Simmons community has asked that the program be expanded to include upperclassmen. Therefore, we must find more community volunteers!

This is where you come in. Please enthusiastically consider this important request and valuable opportunity! An information meeting will be held on **Wednesday, September 4** at 7:30 PM in Fellowship Hall to clarify expectations and answer questions. To express interest in volunteering, sign up on the sheet on the Wednesday dinner tables, in the church office and/or talk to Debbie Brashear, 741-2280 or Alice Adams, 507-5710 or Darrell Adams, 541-7683.
