STATE ELECTIONS ON NOVEMBER 5 - BE READY!

Recently Representative John Yarmuth commented that currently the “states” are where things are happening and important laws are being made. State elections have significant influences on what does and can happen on the National level. Several main state positions are being elected: governor, attorney general, and secretary of state. Every citizen needs to vote in November. So, if you are not registered to vote, you must **sign up by October 7, 2019. Here is who can register:**

- 1. Anyone who is a US citizen over the age of 18.**
- 2. If you registered once, you do not need to register again.**
- 3. But, if you moved since you registered, you must turn in a change of address so you will go to the right place to vote.**

Crescent Hill Baptist Church will be helping people register on Sundays beginning **September 15**. Look for the registration tables! It is easy. All you need is:

- 1. Your Social Security number.**
- 2. The address where you now live.**
- 3. If you want to be a republican or a democrat.**

Come register and bring others with you. You may also register yourself online at GoVoteKy.com. Questions: contact Alice Adams, 502-507-5710, Gail Tucker or Sydney Gardner.

LOVE SINGS LOUDER

September 15 - Iroquois Amphitheater – 2:00-4:00 PM

The Jewish Federation and Jewish Community Center has been inspired by the currently popular “mass singing initiatives” facilitated by groups like Israel’s Koolulam and Canada’s Choir!Choir!Choir!. These events bring together a diverse range of community members with the idea to stop everything for a few hours and just sing together. The Crescent Hill Baptist Choir and The Temple Choir will sing together as a part of this. This is a free, community-wide, multi-faith, multi-cultural, intergenerational program.

A PRAYER FOR COMPASSION MOVIE

A Prayer for Compassion is a feature length documentary that strives to inspire and encourage those already on a religious or spiritual path, to expand their circle of compassion to embrace all life, regardless of species, and make choices in alignment with this value. The film follows Thomas Jackson on a quest across America that ultimately takes him to Morocco for the UN Climate Conference and throughout the Indian subcontinent to ask the question, “Can compassion grow to include all beings? and Can

people who identify as religious or spiritual come to embrace the call to include all human and non-human beings in our circle of respect and caring and love?"

"This film reminds us that no being should be exempt from grace, kindness and compassion" ~ moby

"Without a doubt, this is the most powerful film ever made on the issue of religion, animals and food" ~ Jewish Veg

The film will be shown on **Sunday, September 29** from 3:00-5:00 PM in Fellowship Hall.

SOCIAL JUSTICE MOVIE

September's movie will be the 2018 release, *The Wife*, starring Glenn Close and Jonathan Pryce as the Joan and Joe Castleman, who remain complements after nearly 40 years of marriage. Where Joe is casual, Joan is elegant. Where Joe is vain, Joan is self-effacing. And where Joe enjoys his very public role as the great American novelist, Joan pours her considerable intellect, grace, charm and diplomacy into the private role of a great man's wife. As Joe is about to be awarded the Nobel Prize for his acclaimed and prolific body of work, Joan starts to think about the shared compromises, secrets and betrayals.

The movie will be shown on **Friday, September 20** at 7:00 PM in the Church Parlor. All are invited to view the film and remain for discussion.
