#### **SOCIAL JUSTICE MOVIE**

All are invited to view and discuss the Social Justice Movie, *Contagion*, a 2011 Steven Soderbergh production, on **Friday, September 21** at 7:00 PM in the Parlor. When Beth Emhoff (Gwyneth Paltrow) returns to Minnesota from a Hong Kong business trip, she attributes the malaise she feels to jet lag. However, two days later, Beth is dead, and doctors tell her shocked husband (Matt Damon) that they have no idea what killed her. Soon, many others start to exhibit the same symptoms, and a global pandemic explodes. Doctors try to contain the lethal microbe, but society begins to collapse as a blogger (Jude Law) fans the flames of paranoia.

#### **READING GROUP**

Once a year the Reading Group gathers to share books that we have read during the past year and recommend to others. This will happen on **Thursday, September 27** at 7:00 PM in the Parlor. Everyone is invited to share a few of their favorites. These are not necessarily recommendations for our group to discuss, but might be, if your book seems appropriate. We try to include a mix of fiction and non-fiction as well as different genres. It's always a fun evening to learn each other's reading tastes and discover new books.

#### **SEPTEMBER FAT FRIDAY NEIGHBORHOOD PARTY**

In collaboration with Third Lutheran and St. Mark's Episcopal, during the monthly Frankfort Avenue FAT Friday event, we will throw a party and host a time of good food and fellowship for our community. On **Friday evening, September 28**, food trucks will be parked in St. Mark's

parking lot and the well-known bluegrass group, The Misty Mountain String Band, will perform in front of CHBC. Stay tuned for more details, but begin to spread the word.

### **MERTON STUDY TAUGHT BY DR. GLENN HINSON**

A study of the life and thought of Thomas Merton with special attention to insights forthcoming in the last ten years as they relate to everyday life. Dr. Hinson developed a personal friendship with Thomas Merton between 1960 and 1968 and sought in *A Serious Call to a Contemplative Lifestyle* to show how insights from the contemplative tradition could be incorporated into ordinary lives today. The class began last ***Wednesday, September 12*** from 10:30 AM-12:00 PM in the Parlor and will continue through December 5.
